

Congratulations, your new PC build from NZXT has arrived! In five easy steps, you'll be ready to start playing your favourite games. Everything is included in the box, simply follow for the steps below or scan the QR code for an easy step by step guide.

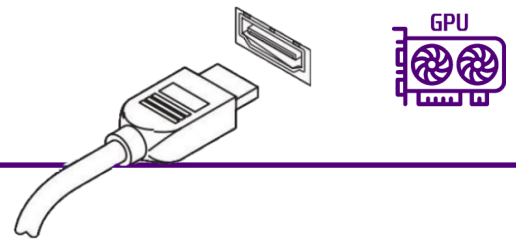

NOTE Please keep **all original packaging material** (brown boxes, foam, etc) in the event that your equipment needs to be replaced or returned. Replacement packaging can be provided at additional cost if needed.

1

Hook up monitors

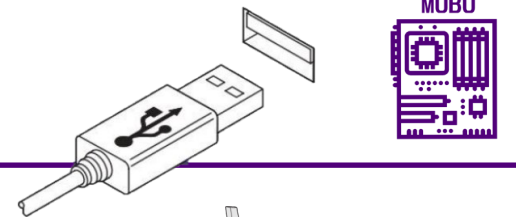

Connect your display monitor(s) to your GPU/Video Card with the appropriate display cables.

2

Plug in Peripherals

Next, you'll need to connect your keyboard, mouse, controller, and/or any other peripherals of your choice via the USB ports.

3

Connect to the Internet

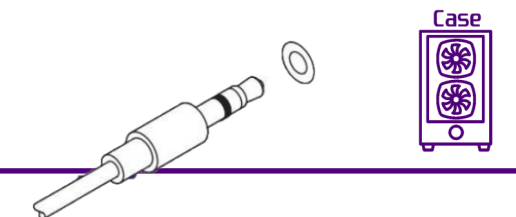

Get your new system online ready with an ethernet cable or WIFI (Be sure to connect antennas if your build is WIFI equipped).

4

Sync Up Sound

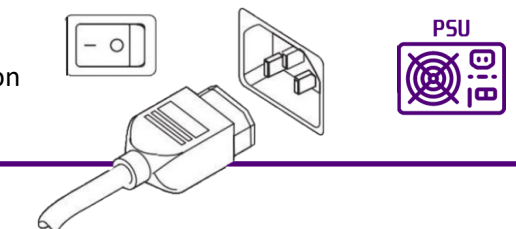

You'll want to plug in your speakers and/or headphones.

5

Power it up

Plug in the power cable and flip the switch on. Hit the power button on your case and you're ready to game!
